# OIL & GAS FIELD SERVICES

---

Installation and Maintenance is the practice of protecting or restoring equipment in order to maintain function and integrity. As a critical component of an asset integrity management (AIM) program, maintenance engineers and technicians dedicate time to developing and implementing maintenance strategies that optimize production and use cost-effective maintenance techniques in the oil and gas field sectors. Typical maintenance techniques include cleaning, inspection, lubrication, testing, replacing, and/or repairing components. KCS has proven track record in various Turnaround & Maintenance Projects in Refineries,

# CONSTRUCTION & MAINTENANCE

---

KCS has the capacity to manage various sized civil projects; ranging from commercial to residential construction, electromechanical services etc. We can complete the most difficult projects on time and within budget under quality assured systems. Whether you require a head contractor to manage the project, or a sub contractor to help keep the project on track, we have the key resources to carry out the work, competently & cost effectively within your budget & time frame.

## **Construction (Residential & Commercial) Buildings**

# MANPOWER & RECRUITMENT

We introduce ourselves as KCS, pioneers in providing Manpower solutions to its distinguished clients. KCS, is a Kuwait based Company which started to operate from its state of the art office situated in prime locality of Kuwait, with excellent Automation and communication facilities. With a modest beginning KCS, today is a well established and leading organization offering employers a range of services for the entire employment & business cycle including permanent, temporary and contract recruitment; employee assessment & selection; training; outplacement; outsourcing and consulting, Employee Retention and various other HR Activities and today has various reputed clients who are satisfied with our services.

KCS is dedicated to help you find the right people to fill your requirements, the advantage with KCS:

- 1. Flexibility in hiring Cost and time saving in hiring process**
- 2. No permanent liability of people**
- 3. Availability of experts for short duration / project related work**
- 4. Large resume data bank**
- 5. Statutory obligations such as Contract Labor Act, Home country Labor act, State of Kuwait Labor laws, Factories Act, Workmen's Compensation, Medi-claim Insurance, Indemnity, Bonus, Maternity benefits, etc. are no longer a client's responsibility**

We also take pride in mentioning that we are a "statutorily compliant" company and have a good track record of maintaining & filing statutory records in time at all times. To better equip the workforce we ensure that they are trained from time to time on these aspects.
